Maggie Chapman META Chief Executive

I am delighted to invite you to the annual Butterfly Ball in aid of META. META is an innovative, dynamic charity dedicated to making psychological health accessible to every child, parent and adult. Our programmes are delivered directly to children, parents and teachers through education, training and one to one therapy.

The Butterfly Ball is the highlight of the META social calendar and will be a spectacular occasion of glamour and fun, comprising of a champagne reception Frank Sinatra style, a delicious 3 course dinner with wine and an array of fabulous entertainment including amazing live performances from The Rat Pack and one of the finest Disco Funk Soul Bands in the UK.

This is an evening of celebration; an opportunity for everyone to share in our achievements to date and learn more about the difference we can make in the future. It is also a time of thanks to the individuals and companies who make our work possible.

It's set to be a wonderful night; one to remember. I do hope you will be able to join us.
